

Introduction to Philosophy Bibliography

George Belic

The links on the main course website refer to works in the public domain or in copyright that grants download or personal viewing. The text assigned from the early modern period (approx. 1500-1900AD) are linked to Early Modern Text Website (<https://www.earlymoderntexts.com>). Text prior to 1500AD and after 1900AD that are available in the public domain are linked from the Gutenberg Project website (<http://www.gutenberg.org>). This bibliography contains contemporary scholarly publications of these works in print, which usually have notes and lengthy commentary. These may be of interest to anyone who want to continue in philosophy or simply wants another look at the main readings from this course.
